

### **A wonderful week at KEPS...**

Thank you to all the staff and parents for their support and additional efforts this week. It was lovely to see Oak class building rainforests with their family on Tuesday. Thank you to those of you who have already volunteered for swimming next term, we are very excited by the opening of the pool.

### **Goodbye, Ms Rumsey**

Thank you to Genna Rumsey who has worked with key children for the past two terms on a temporary basis. Many congratulations on your new permanent position.

### **All the best Gretel...**

Goodbye Gretel from all of us at KEPS! We all wish you the very best of luck in your new school, we will miss you.

### **Attendance National 94.6%**

We strive to reach national attendance figures every term and are keen for consistent punctuality. Sadly, there are lots of children missing learning opportunities and class activities daily due to attendance and punctuality.

If your child is consistently late or absent under 94.6% you will be receiving a letter outlining how you need to help to improve this. We know that education and all that school education represents for your child and their future is very important to you all, and hope this will encourage you and your child/ren to make it to school every day and on time as frequently as possible.

**Kindness, Thank you to all the children this week who showed kindness...The boy, the mole, the fox and the horse...**

***Nothing beats kindness, said the horse, it sits quietly beyond all things.***

## What Parents & Educators Need to Know about **STREAMERS**

Livestreaming has become a big part of the entertainment people consume, and what began as a series of gamers sharing their screens has grown into a huge industry packed with personalities – and potential risks for your children. With over 2.5 million people watching Twitch, the most popular streaming service, at any one time, it's important to remain aware of the risks associated with streamers.

### WHAT ARE THE RISKS?

#### INAPPROPRIATE CONTENT

Some gaming streamers will stick to family-friendly titles, but others will play more violent games that tend to be more popular. Non-gaming streamers could, in theory, discuss just about anything, and some streamers will often stream in revealing outfits.

#### NEGATIVE INFLUENCES

While things have improved, streamers are often paid by companies to promote products, and this isn't always stated explicitly. While it's unlikely these goods will be harmful to your child, some streamers and influencers have engaged (knowingly or not) in scams in the past.

#### FINANCIAL HARM

Streamers will often have donation buttons on their screens for users to submit money. What can start as small amounts can quickly spiral as streamers engage with paying viewers more often, potentially leading to financial issues.

#### UNREALISTIC EXPECTATIONS

Influencers often showcase how glamorous their lives are, making some users feel as though they are lesser. However, it's important to stress that, in many ways, this is an act, or at the very least, not common. Logan Paul, who has been successful as a streamer and influencer, has a Pokemon card worth \$5 million, but this is atypical of anyone working in the medium.

#### MISINFORMATION

Streamers are, in many ways, just like us – and they can get things wrong or reel off an opinion without having thought about it. Some can simply say awful things to get a rise out of viewers or to sway them to their side of a hot topic.

#### ADDICTION AND SCREEN TIME

If your child is watching a lot of a particular streamer, it can be just as damaging to their social life as playing too many video games.

## Advice for Parents & Educators

#### EXPLAIN HOW STREAMING WORKS

For a younger viewer, being a streamer or influencer seems aspirational, but it involves a lot of work and no small degree of good fortune. Streamers are often managed and unable to speak freely due to sponsors, and influencers are just that – influencing young minds, for better or for worse.

#### CHECK OUT STREAMING PLATFORMS

While Twitch was the de facto streaming service for years, YouTube has gained popularity, too. Then there are Kick and Rumble, which have grown in popularity with moves for big-name streamers – despite many being dogged by controversy.

#### DO NOT LOG PAYMENT INFORMATION

Streamers can reward donations with additional content, on-camera "shout outs" and more. If you're unsure about who or what your child is watching, consider avoiding linking payment information. This is especially notable with Twitch, which is owned by Amazon and therefore has some crossover.

#### SET SCREEN TIME LIMITS

You can set screentime limits for mobile apps on iOS and Google, but with other platforms like a PC it may be more difficult to keep tabs. Consider checking in regularly to ensure your children aren't watching content they shouldn't be.

### Maypole Dancing

This year the Maypole cannot be put in the school playground due to the new surface not being solid enough since it was resurfaced. It will not take the weight of the JCB/Tractor. The organisers of the May Festival are trying to arrange the pole to be put up in the community centre car park. We are looking for volunteers to run a Maypole dancing club so some of the children at KEPS can still perform this year. If you think you might be able to help please contact the school office. Your help and support would be HUGELY appreciated!
