

10th January 2025

Dear parents/guardians,

Please forgive the written communication at what I know is an incredibly busy time. I wanted to share that Kingsbury Episcopi Primary School has formally begun the application process to redesignate as an Academy and join Richard Huish Trust.

Currently, Richard Huish Trust works with Richard Huish College, five primaries and one secondary school. This most recent development will provide a fantastic opportunity to further progress the benefits of a values based 'all-through' education provision. It will also considerably help the school in meeting the ever-changing demands of delivering high quality education in our setting.

An important part of the conversion process is to consult with stakeholders about this change. We have enclosed information about this change and the consultation which can also be found at the following link [Consultation Document](#)

If you would like any more information or would like to discuss the proposed change, please don't hesitate to contact me directly.

Yours sincerely

Melanie Lawson
Head Teacher
